# BEFORE PARTY

## Party smart! It's not magic, it's science

- › Stimulates the production of alcohol-degrading enzymes in the liver.
- › The result of 2 years of research and development.
- › 18 carefully selected natural biologically active components.
- › Supplementation of vitamins, electrolytes for a more pleasant drinking experience.
- › Protects liver, vitalizing effect.
- › Makes alcohol consumption more tolerable.
- › Supplement with our AFTER PARTY product at the end of the party, to protect you for the next day. No more hangovers – No more wasted next days!
- › With the addition of our BRAINPRO product, nothing stands in the way of mental freshness the next day.

# AFTER PARTY

## Hangovers are over! After party

- › Toxic substances resulting from the breakdown of alcohol can make the next day a merciless one.
- › While alcohol can lift your spirits and boost your mood for a short time, once the toxic elements from the breakdown of alcohol kick in, you may notice these symptoms: shallow sleep, heart palpitations, fatigue, headaches, moodiness, possibly depression.
- › AFTER PARTY functional shot helps to reduce the unpleasant effects of drinking.
- › Its carefully selected natural ingredients help to ensure that no next day is wasted.
- › Liver protecting, vitalizing effect
- › With the addition of our BRAINPRO product, nothing stands in the way of mental freshness the next day.
- › Drink responsibly! Alcohol tolerance is affected by drinking habits, genetics, overall health and gender.
- › Driving is strictly prohibited while under the influence of alcohol!

# SUNPRO

## For a healthy, sun-kissed tan!

- › Helps you get a long-lasting, healthy tan outside or in sunbeds.
- › Skin protection and ideal skin tone can also be supported internally with excellent active ingredients.
- › Protects the health of skin and eyes.
- › Prolongs tan.
- › Improves the texture of the skin and protects it from dehydration caused by the sun.

Beta-carotene

Biotin

# SLEEP PRO

## Relaxed dreams – for a peaceful, restful night

- › SLEEP PRO functional drink is designed for those who need a calm, restful sleep after a hectic, stressful day and are not looking for a sleeping pill.
- › Surveys show this widespread civilization disease affects nearly 70% of the working population!
- › When there's no time for evening relaxation exercises and you can't escape the daily grind, our scientifically formulated evening drink will help you calm down and tune in to sleep.
- › Made with pure plant-based ingredients, essential amino acids, and vitamins, this drink helps you sleep through the night, therefore you can enjoy a deeper and more restful sleep.
- › You won't fall asleep faster, but you'll get a better quality of sleep and wake up more rested in the morning.
