WHY HONEY

Honey is one of the oldest foods known to humankind. Rich in enzymes and antioxidants, its health-promoting properties have been known for centuries. The Ancient Greeks called honey the “Nectar of the Gods”. In our specially formulated recipe, we combine honey with other healthful ingredients and the result is the world’s most refreshing energy drink.

THE BEEBAD PHILOSOPHY

FUELING YOUR MIND

Students can't afford to let fatigue and dullness impede their learning. Vitamins B6 and B12 have been shown to improve concentration and heighten alertness. Get ready to ace that next exam!

FUELING YOUR MOTION

Thanks to its natural ingredients, BEEBAD is the perfect energy drink for those who like to challenge themselves every day. It is ideal before and after sports, helping to boost your natural vigor and aid in your recovery.

FUELING YOUR PRODUCTIVITY

To be at your mental and physical peak at work, what could be better than a revitalizing, great-tasting energy drink that's packed with natural goodness? BEEBAD can't guarantee you a raise or promotion, but we can guarantee it will help you be the best version of yourself.

FUELING YOUR FUN

Bees never sleep. The natural energy of BEEBAD will enliven every lifestyle and every after-hours occasion, providing the perfect fuel - and a perfect mixer for some great-tasting cocktails - that will keep you moving deep into the night.
