

FOCKED HYDRATE

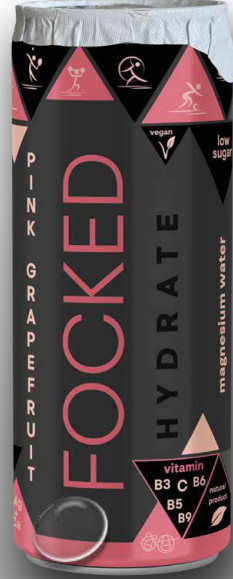

Functional magnesium waters with high calcium content,
vitamin C, B3, B5, B6 and B9

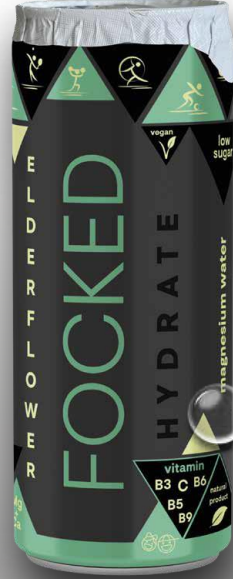

MINT LIME

GRAPEFRUIT

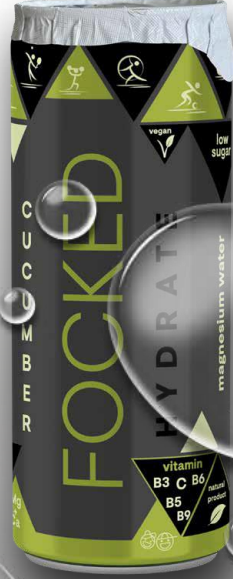

ELDERFLOWER

CHERRY

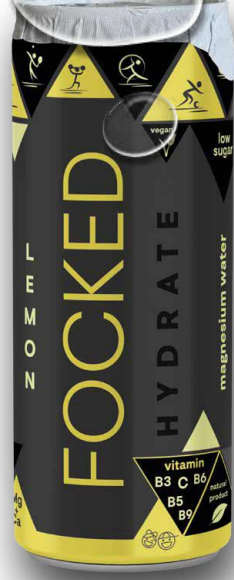

CUCUMBER

ORIGINAL

LEMON

YOUNG COCONUT

ORANGE

FOCKED
BE HEALTHY

- ▶ FOCKED HYDRATE DRINKS ARE UNIQUE MINERAL SUPPLEMENTS. THEY ARE POPULAR AMONG CONSUMERS ESPECIALLY FOR THEIR EXCELLENT REFRESHING TASTE.
- ▶ THANKS TO THEIR BALANCED TRACE ELEMENT CONTENT, FOCKED HYDRATE DRINKS ARE SUITABLE FOR KIDS, WOMEN, ATHLETES, THE ELDERLY, BUT ALSO AS A SUPPLEMENT FOR PEOPLE WITH CALCIUM OR OTHER TRACE ELEMENT DEFICIENCIES.

WHY OUR MAGNESIUM?

MGOH₂

MAGNESIUM INTAKE DEPENDS NOT ONLY ON ITS FORM AND CONTENT, BUT ALSO ON ITS BIOAVAILABILITY, I.E., THE ABILITY OF THE HUMAN BODY TO ABSORB AND USE MAGNESIUM.

- MGO - HIGHEST MG CONTENT, LOWEST SOLUBILITY
- MGCL₂ A MGSO₄ - HIGH SOLUBILITY, LOWEST MG CONTENT

ADVANTAGES OF OUR MAGNESIUM:

BALANCE BETWEEN CONTENT AND SOLUBILITY. 50% HIGHER SOLUBILITY COMPARED TO MGO. IT IS RESISTANT TO ACIDIC PH IN THE STOMACH (MGO MUST BE CONVERTED TO MGOH₂.) OUR MG ALSO CONTAINS 74 OTHER TRACE ELEMENTS: CALCIUM, SELENIUM, BORON, SODIUM, COPPER, IODINE, ZINC, PHOSPHORUS, FLUORINE...

AQUAMIN[®] IS A UNIQUE NATURAL MULTI-MINERAL PRODUCT PROVIDING BIOACTIVE CALCIUM, MAGNESIUM AND 72 OTHER TRACE ELEMENTS FOR FORTIFICATION OF FOODS, BEVERAGES AND NUTRITIONAL SUPPLEMENTS.

AQUAMIN[®] IS MADE FROM THE RARE RED SEAWEED LITHOTHAMNION, WHICH GROWS IN THE CLEAN WATERS OF THE ATLANTIC OCEAN ON THE NORTHWEST COAST OF ICELAND. THIS SEAWEED IS CAREFULLY HARVESTED, WASHED, SIEVED AND THEN TURNED INTO A DRIED GROUND PRODUCT. THE RESULT IS A SAFE, RELIABLE, AND MOST IMPORTANTLY, TRACEABLE PRODUCT.

AQUAMIN[®] IS DERIVED FROM CALCIFIED SEAWEED, WHICH ABSORBS TRACE ELEMENTS FROM THE SEA. THIS FORM OF ABSORPTION IS COUPLED WITH A UNIQUE STRUCTURE AND GIVES A PRODUCT THAT IS RICH IN MINERALS, HAS NEUTRAL TASTE AND IS EASILY ABSORBED BY THE HUMAN BODY.

AQUAMIN[®] AND OTHER SOURCES OF CALCIUM

AQUAMIN[®] IS CHEMICALLY AND PHYSICALLY DIFFERENT FROM CONVENTIONAL MINED MINERALS. THANKS TO ITS SPECIAL OPEN, POROUS STRUCTURE, IT HAS A NUMBER OF SIGNIFICANT ADVANTAGES. ROCK CALCIUM SALTS (CARBONATES, CITRATES, OR OXIDES...) HAVE ONLY A SHORT ABSORPTION TIME AND LOW AVAILABILITY (LARGE AMOUNTS ARE EXCRETED IN THE URINE). IN CONTRAST, AQUAMIN AS A SOURCE OF CA PROVIDES A GRADUAL LONGER ABSORPTION TIME AND USES UP TO APPROXIMATELY 90% OF THE CALCIUM.

THE IMPORTANCE OF MAGNESIUM FOR HEALTH:

- IS INVOLVED IN MORE THAN 300 METABOLIC REACTIONS
- IS INVOLVED IN GLUCOSE AND INSULIN METABOLISM
- HELPS MAINTAIN PROPER MUSCLE AND NERVOUS SYSTEM FUNCTION, HEART RHYTHM, BLOOD PRESSURE AND BONE INTEGRITY
- RELIEVES FATIGUE AND EXHAUSTION

AQUAMIN[®] AND ITS ADVANTAGES

- 100% NATURAL
- VEGETABLE ORIGIN
- 10-20X HIGHER MINERAL CONTENT THAN A VEGETABLE "CLEAN LABEL" PRODUCT
- NEUTRAL TASTE
- ALLERGEN-FREE
- THERMOSTABLE
- PROVEN HEALTH BENEFITS
- IMPROVED ORGANOLEPTIC PROPERTIES

FOCKED

FOR REGENERATION

**THE POWER OF NATURE
WITH THE FLAVOR OF ENERGY DRINK**

GUARANA.DAMIANA.SCHIZANDRA.MATE.GREEN TEA.

Less stress and more energy...
that's the right motto for a drink
FOCKED FOR REGENERATION.

Thanks to the herbal ingredients, these properties are an important element that today's times demand.

FOCKED FOR REGENERATION
no caffeine, taurine or aspartame...
with its taste of popular energy drinks, it becomes a unique alternative drink for **children and even pregnant women** without fear.

There is nothing stopping you from a **healthy regeneration of mind and body.**

GUARANA

DAMIANA

YERBA MATE

GREEN TEA

SCHIZANDRA

**THE POWER
OF NATURE
WITH THE FLAVOR
OF ENERGY DRINK**

**NO ASPARTAME. NO CAFFEINE.
NO TAURINE.**
