## MANTARO WALLA DARK ROAST

A special blend of South American coffee for lovers of the night black taste and full-bodied aromas. Characteristic, yet extremely exciting: a blend of tropical arabica and soft robust coffee with an unmistakable taste, in well-composed harmony. The taste is caramel, dark chocolate with a definite presence of fresh tropical fruitiness and nectar aromas. The crema is beautiful, strong, light brown and thick enough. The Mantaro Walla is the perfect choice for those who are open to novelties and love to pamper themselves.

## MANTARO MAYU ESPRESSO ROAST

Emphasizing the noblest properties of coffee, it is a strong, characteristic premium blend coffee that is an excellent choice for a delicious espresso. A typical fiery flavor and unique aroma culminated in South America due to the wet and humid climate, really, and so gained a strong, memorable character and pleasantly creamy, chocolate aftertaste. Its crema is hazelnut brown, its taste is a real espresso feeling, so we only recommend it in the form of espresso or ristretto. Its bitter flavour is the perfect day starter or mid-day pick-me-up.

## MANTARO AHORA GOLD ROAST

Its special taste is due to the finest, 100% arabica coffee beans. The excellent quality is enhanced by the golden brown roasting, the balanced aroma and the pleasant flavors. The crema is light golden brown, yet thick and durable with a soft essence. In terms of its leading taste, it is dominated by velvety creamy aromas, its harmonious finish is slightly acidic and bitter, reminiscent of grapefruit and orange peel flavors. Mantaro Ahora was born from the perfect balance of soft, harmonious taste and medium roasting, making it a unique choice at any time of the day.

## MANTARO CALMA FINE ROAST

Its greatness comes from the carefully selected coffee beans from the South American plantation with a special microclimate. Its massive, vibrant crema covers a special nectar. Mantaro Calma is 100% arabica coffee, thanks to its clean roast and soft roasting. It shows rich citrusy and uniquely silky taste. Its lower intensity perfect choice for those who want to experience the full physical and spiritual body and soul in an unrivalled coffee experience.
